

Along with the application, I have enclosed the RTI Act-2005 information from the Attipra Village Officer, Trivandrum, 6/09, Dated 05.12.2009 stating that, the land with Sy No. 168/2, Poundkadavu, Attipra Village, Trivandrum belongs to the Government.

The RTI Act information received from PIO, Electrical Section, KSEB, Kulathoor, Trivandrum, RIA/PIO/KLR/2009-10/217 Dated 25.1.2010, revealed that, the name of the consumer is Sri. K.Prasannan and he has not submitted the necessary Ownership Certificate along with the Application form, in accordance with the Indian Electricity Rule Schedule VI-(5).

Considering my RTI Act application, a notice was served to the consumer, from the Electrical Section, KSEB, Kulathoor asking to produce the Ownership Certificate before 22.2.2010, to avoid disconnection.

But the consumer failed to produce Ownership Certificate and the illegal connection was disconnected on 05.03.2010.

The information from the IO, Corporation Zonal Office, Kulathoor, Trivandrum, 2AE/1657/10, Dated 18.05.2010 states that, the building was constructed without the permission of the Corporation and Ownership Certificate was not issued.

With the help of some corrupt KSEB officers, the connection was reconnected again after 45 days on 19.4.2010.

The RTI Act information from Deputy Chief Engineer, Electrical Circle, Trivandrum (Urban), DB3/RIA/10-11/255 Dated 14.07.2010, And Executive Engineer & PIO, Electrical Division, Kazhakuttom, Trivandrum, RIA/PIO/KZM-Dvn/10-11/342, Dated 19.05.2010 clearly states that, the AE, Electrical Section, KSEB, Kulathoor, Phone: 9446008707 is the officer who is to issue order for disconnecting an illegal electricity connection, under Electrical Section, KSEB, Kulathoor.

And on 22.2.2011, I have asked the Asst. Engineer, Electrical Section, KSEB, Kulathoor, Trivandrum to take action against this illegal connection, but he was insisting me for a written complaint with the intention of creating a controversy.

This connection is misused to make public nuisance with loudspeakers during unwanted petty programs organized by an anti social gang, without possessing Mike order from Police. And a criminal case CC 753/07 is progressing before the JFMC II, Trivandrum against the gang in connection with the intentional public nuisance with loudspeakers.

From the above facts, requesting a legal action against the Asst. Engineer, Electrical Section, KSEB, Kulathoor, Trivandrum for immediate and permanent disconnection of the illegal Electricity Connection of Consumer No. 7132, Tariff Category-VI A, given to an illegal building on the Government land, Sy No. 168/2 in Poundkadavu, Attipra Village, Trivandrum under the Electrical Section, KSEB, Kulathoor, Trivandrum.
