The Director General of Police  
Trivandrum, Kerala

18 Apr 2011

Sir,

INTENTIONAL PUBLIC NUISANCE FROM AN ILLEGAL GURU MANDIRAM

I have the honor to submit the following for your kind consideration and favorable action.

This is regarding intentional public nuisance (Torture) committed by a gang behind an illegal Guru mandiram near Poundkadavu, Attipra, Trivandrum. They arrange petty programs in the shield of festivals/worship and play recorded music illegally. Highly attractive unaccounted donations and support from Police play a vital role in this business.

Peaceful and private stay of citizen in his/her home is denied intentionally, and is clear Human rights violation.

On 15.4.2011 this gang was in action with 16 high intensity loudspeakers in 4 huge boxes kept together to play recorded music from 4 am. Written and Telephone complaints to the concerned authorities could do nothing against this gang, and was an experience of lawlessness.

The 7 acre land with Sy No. 168/2 in Poundkadavu is Government property. A portion from this land has been encroached by Mr. Gurukumar, and placed a plaster-of-paris idol of Sree Narayana Guru to escape from the Government actions.

This illegal establishment functions without Land Document, Ownership Certificate, Registration Number and Responsible Office Bearers.

The information from the Attipra Village Officer, TVM, 6/09, Dated 05.12.2009 states that, the land with Sy No. 168/2 near Poundkadavu belongs to the Government. The information from the IO, Corporation Zonal Office, Kulathoor, TVM, 2AE/1657/10, Dated 18.05.2010 states that, the building was constructed without permission and Ownership Certificate was not issued (Copies are attached).

A criminal case CC 753/07 (Cr: 72/07) is progressing in the JFMC II, Trivandrum against the gang in connection with the intentional public nuisance with loudspeakers. And a corruption case C No. 506/2011 is progressing in the Kerala Lok Ayukta Court, Trivandrum against the AE, KSEB, Kulathoor Section for giving Illegal Electricity Connection.

So, I humbly request you for an order to place this illegal Guru mandiram under Black list, and ban all their activities using loudspeakers with/without permission, during festivals/worship, till they possess Land Document, Ownership Certificate and Valid Registration Number.

Yours truly,

(Subhash.S)
