The Honorable Chief Minister
Kerala State

28 Aug 2011

Sir,

I have the honor to submit this application for your kind consideration and favorable action.

I have learned that you have keen interest in transparency and eradicating corruption from our system.

I am interested to submit a common problem faced by the society for immediate solution.

The existing Mike Order of the Kerala Police is absolutely not transparent. It is having many loopholes which are misused by the anti social elements with the strong help and support from the Corrupt Police Officials.

Anti social elements are able to place any number of high intensity loudspeakers together, any where at any time and unnecessarily play recorded music to torture poor citizens in the shield of festivals/worship.

This is a clear violation of Human Rights and peaceful and private stay of citizen in their home is denied intentionally.

The SHO had power to issue Mike order and control over local anti social elements in this regard before 2002 and lost, when the power to issue Mike order was given to Dy SP and above.

Old aged, infants, patients, students like wise many are the silent victims of this intentional torture with loudspeakers. The poor citizen are unnecessary suffering mental, physical and many other related problems directly as well as indirectly caused by these high intensity loudspeakers. The poor citizen are fearing to complaint, as these anti social elements are well equipped with money and muscle power which attracts strong help and support from Police. Hardly any case has been filed against the Mike set owners/organizers in this regard unlike the traffic violation treated by the same Police.

From the above facts it is high time to reform the existing Mike order, so I have put my humble effort to create a new Mike Order to propose.

I humbly request you that (1) The Mike Order Form submitted along with this application may please be considered and published in the website of the Kerala Police for the public to download and use. (2) Return the power to the SHO for issuing Mike order as it was before 2002. And give power to raise charge against violators in this regard to SI and above.

Truly yours,

(Subhash.S)
