Questionnaire

1. As I have observed in Life every one is born with some special talent. I was not any exception. No one in my family was an artist, although I came from a well educated family but I was very sensitive towards visual world and tried to copy the objects from nature because the existence of the objects around me intrigued me a lot. This is how my journey as an artist began. Later in my college, I opted for fine art as a subject in graduation where my Professor Bharat Bhushan Bharti inspired me to do my POST GRADUATION in Fine arts (1981) . That became a foundation of my carrier as an artist and art teacher.
2. Yes of course I am a full time artist apart from painting. I worked as an Arts Teacher and retired as a Principal at last. I am teaching Arts to the students because teaching is my passion from the very beginning and it remains so till today.
3. I am inspired by the works of Picasso, Dali and Edward munch and of course my Guru, Prof. Bharat Bhushan Bharti. He is a versatile artist who inspired me a lot. I salute Indian painters Satish Gujral, Gaytonde and Tayab Mehta.
4. Generally I paint in Abstract expressionistic style. Although as a teacher , I have to

work in different mediums and Styles.

5. I keep trying different mediums like oil colours, acrylics and water colours. Now a days, I prefer to paint in the Acrylics.

6. During my college days my peers happened to be very talented and competitive which inspired me to be in the race. At the same time some other Tragic situations occurred in my life which triggered many ideas in me which took shapes on the Canvas.

7. I find ideas from the life and situations around me. Any vulnerable social and political situations compel me to comment on the contemporary society.

8. Yes, generally I prefer to work in series. There are certain situations and ideas which impose themselves so much that it becomes hard to come out of them immediately. So it becomes a series of a particular style or idea to get rid from it. Then I switch over to random Subjects temporarily only to return to my main track. My series 'UPSURGE' is an example of that.

9. As I already told Teaching Art is my passion

10. Primarily I breath and live painting. A way of being with that I love Photography, Gardening, Music and Travelling.

11. No more other than me in my family is an artist perhaps I am the only black sheep.
NOTE :- EVERY HUMAN BEING, LIVING ON THIS PLANET BELONGING TO ANY RELIGION, RACE OR CREED UNDERSTANDS THE LANGUAGE OF IMAGES. THAT'S WHY I, JASPREET MOHAN SINGH, AS AN ARTIST THINK THAT THE ART OF PAINTING IS MOST EFFECTIVE OF ALL ARTS TO EXPRESS OURSELVES. I HAVE COME TO THE CONCLUSION THAT THIS MEDIUM NOT ONLY GOOD TO EXPRESS ONE S FEELINGS BUT ALSO TO GIVE VENT TO ONE S CREATIVE URGE. IN TODAYS TURBULENT WORLD WHERE THERE IS SO MUCH INSECURITY, THE ONLY WAY TO EDUCATE PEOPLE IS TO BE CREATIVE. CREATIVITY BEING CONTAGIOUS INSPIRES PEOPLE TO BE CONSTRUCTIVE, LOVING AND FULL OF POSITIVE ENERGY. THIS IN TURNS MAKE THIS PLANET WORTH LIVING. THE PATH IS LONG BUT THE ARTIST HAS TO BE COURAGEOUS AND CREATIVE TOWARDS HIS RESPONSIBILITIES FOR THE SOCIETY.

BEING A SENSITIVE ARTIST, WHEN I PAINT I FEEL MOMENTS OF PURE BLISSFULNESS. COLOURS BECOME THE CARRIERS OF MY IDEAS ON THE SURFACE OF CANVAS. MY PAINTINGS ARE BOLD AND ABSTRACT USING BRIGHT COLOURS FOR MY COMPOSITIONS. THE ABSTRACTIONS CARRY A DEEP HIDDEN MEANINGS AND PERCEPTIONS CHANGES FROM PERSON TO PERSON. THE UNDERLYING THEME IS AN UPSURGE TOWARDS PERFECTION WHICH IS THE ULTIMATE GOAL OF ANY HUMAN BEING. EACH PAINTING IS A DISCOVERY TO ENRICH AND EXPRESS MYSELF AND FEEL GREAT SENSE OF GRATIFICATION.
