

LAKSHMI P MENON

Born on 14.03.1969 at Delhi. M A Sociology.

I feel that Art is something you buy so you can give yourself a pleasure of living in a happy space.

I love creating vibrant art on Canvas and primarily work with acrylic colours using varied techniques. My paintings are based on my life experiences, what happens around me, and what I read. I love abstract art and I add value, tone, texture and bright colours to my creations. I express my ideas, messages and emotions through my simple and unique artworks. Each of it carries a feeling with which one can connect. Each artwork matters as it adds value to your space.

Techniques used: Acrylic pouring, Splatter technique, Using Palette knife for texture and effect, Wet on Wet technique, Detailing with fine brushes, Highlighting technique, Layering, Swipe, creating texture with crackle paste, Using textured paste, Leaf printing, Mixed media.

EXPERIENCE

Making and selling my artworks since 2015 starting in Vietnam.
Since 2022 have been selling in India.
