The references shown above are regarding an **illegal structure stands on the Government land which is to be demolished.** But the Trivandrum Corporation stood by the anti socials behind the illegal establishment in all means.

Now the Hon. Kerala Lok Ayukta Court have passed an order in the Case No. 506/2011 C, which says **the structure is unauthorized** and the electric connection is illegal.

On Para No. 23, the Hon. Court also said that "Action shall be taken against the encroachers of the land by invoking Kerala Land Conservancy Act."

The Order of the Hon. Lok Ayukta is available on: <http://www.familytreeindia.net/20150513.pdf>

As an ordinary citizen I did my bit of duty and responsibility towards the society to save them from the exploitation by anti social elements.

Now it is for the Corporation Officials to act against the illegal structure on the Government land as mentioned in the order Para No. 23.

I am also attaching a forged document in the name of Gurukumar used for encroaching the land. As per letter No. 31/RTI Act/2012/TPS dated 17.2.2012 of Thumba Police, the document is in the custody of Thumba Police.

In case the Trivandrum Corporation continue the inaction tactics to provide help and support to the anti socials behind the illegal establishment, I may have to file another Corruption case in the Hon. Kerala Lok Ayukta Court, Trivandrum against The Secretary, Trivandrum Corporation and The Revenue Officer II, Attipra Zonal Office, Trivandrum Corporation with the copy of this Complaint as Exhibit-1.

Yours truly,

(Subhash.S)
